## SPEAKERS

### DON KHOURI

EXECUTIVE COACH  
FORTUNE MANAGEMENT

Don Khouri is an Executive Coach who helps dentists gain clarity about their vision and inspires the whole team to be responsible for it. Following the unique Fortune Management System, Don takes an integral approach to business and life planning. Don's dental knowledge and coaching expertise help dentists become more productive. Doctors and teams who go through the program find increased success both in their personal and in their professional lives.
